

Support the Sexual Health of Young People Experiencing I/DD

Provide Holistic Sexual Health Education in Many Ways

Advocates for Youth “champions efforts that help young people make informed and responsible decisions about their reproductive and sexual health,” which includes information and resources for parents and educators about sexual health education for young people with disabilities:

<http://www.advocatesforyouth.org/developmental-and-intellectual-disabilities-home>

They also provide adaptable individual lesson plans for K-12 sexuality education through the

Rights, Respect, Responsibility curriculum: <http://www.advocatesforyouth.org/3rs-curriculum-lessonplans>

AMAZE offers “fun, animated videos that give you all the answers you actually want to know about sex, your body and relationships”: <https://amaze.org/>

Bedsider is an interactive birth control support network: <https://www.bedsider.org/>

The **Birds and the Bees** website offers resources “support for teaching human sexuality to individuals with autism and developmental disabilities,” including free curricula:

www.ASDsexed.org

The **Calgary Sexual Health Centre** believes everyone has the right to good sexual health and good sexual health information: <https://www.calgarysexualhealth.ca/sexual-health-info/>

The **Centers for Disease Control and Prevention** provides explanation and pictures of the correct way to use barrier methods (external/internal condoms, dental dam):

<https://www.cdc.gov/condomeffectiveness/male-condom-use.html>

The **GULP! Newsletter: Talking with your kids about sexuality** of Planned Parenthood of Northern New England includes an issue that focuses on developmental disability:

<http://www.familyvoicesofca.org/wp-content/uploads/2017/12/GULPNewsletter.pdf>

Planned Parenthood provides teens info on sex, relationships, bodies and more:

<https://www.plannedparenthood.org/learn/teens>

Public Health – Seattle & King County offers a curriculum, **Special Education FLASH**, in family life and sexual health for middle & high school students with special needs:

<https://www.kingcounty.gov/depts/health/locations/family-planning/education/FLASH/special-education.aspx>

ReCAPP outlines skills for educators teaching sexuality to youth experiencing a disability:

<http://recapp.etr.org/Recapp/Index.Cfm?fuseaction=pages.EducatorSkillsDetail&PageID=96>

SAFE SECS Curriculum uses language, social skills and self-determination skills instruction to facilitate sexuality education for students with “moderate to severe disabilities”:

<https://www.teacherspayteachers.com/Product/SAFE-SECS-Curriculum-2237249>

Sexuality Information Council of the United States (SIECUS) “SIECUS works to make sure that information, knowledge, and skills are within everybody's reach”: <http://www.siecus.org/>

Scarleteen Sex and Disability info for teens and emerging adults:

http://www.scarleteen.com/article/sexuality/disabled_sex_yes

Sproutflix is “the only distributor of films exclusively featuring people with intellectual and developmental disabilities.” Many videos are available to stream for free and address themes of relationships, romance and sexuality: <http://sproutflix.org/browse/genre-free/page/3/>

Taking a Special Education Approach is a chapter from the 2nd edition of *Our Whole Lives for Grades 7-9* that the UUA provides at no charge online to help “anticipate and address the learning needs of youth with autism spectrum disorder or an attention-related, intellectual, or learning disability so these youth may more fully participate and learn”: https://www.uua.org/sites/live-new.uua.org/files/owl_special.pdf

teachingsexualhealth.ca offers sexual health education resources for teachers and parents, including lessons designed for students with differing abilities: <https://teachingsexualhealth.ca/teachers/grade/differing-abilities/>

The Kiss YouTube video:

https://www.youtube.com/watch?v=cXz_TNZAVFk&feature=player_embedded

The Specials – web based soap opera featuring individuals with I/DD:

<https://www.youtube.com/user/TheSpecialsWebSeries>

Support Young Peoples’ Goals

Impact Newsletter Sex, Disability and the DSP: Ethically Supporting Sexual Choices:

<https://ici.umn.edu/products/impact/232/16.html>

The **National Resource Center for Supported Decision-Making** provides “information about the Right to Make Choices – the right we all have to make our own decisions and direct our own lives”: <http://www.supporteddecisionmaking.org/>

The **Learning Community for Person Centered Practices** “envisions a world where all people have positive control over the lives they have chosen for themselves”: <http://tlcpcp.com/>

Create Environments that Foster Peer Connection

Calgary Sexual Health Centre and Disability Action Hall support the **Right to Love (R2L)** Advocacy Group in Canada, which “is a group of people with disabilities and our allies working together to make healthy choices about love”: <https://www.calgarysexualhealth.ca/programs-workshops/people-developmental-disabilities/>. Check out the R2L YouTube channel here: <https://www.youtube.com/user/DActionHall?feature=watch>

This **Developmental Disabilities and Sexuality Curriculum** uses a peer education model to establish a sexuality education group: <https://www.plannedparenthood.org/planned-parenthood-northern-new-england/local-education-training/development-disabilites-sexuality>

Build the Capacity of Support People to Provide Sexual Health Education and Support to Young People Experiencing I/DD

Put Policies and Procedures in Place to Support Relationships and Sexuality

Disability Rights Oregon Sterilization of Individuals and Guardianship Handbooks:
